

1 - 2 - 3 TRICAST

Pick your squares - you can have as many as you like - just pay ____ per entry and write your name in the box.

THE TRICAST WILL BE RUN AS SOON AS ALL ENTRIES ARE SOLD OR ON THE LAST RACE

PREDICT THE FIRST THREE PAST THE POST - IN THE CORRECT ORDER - WILL YOU BE OUR GRAND WINNER TONIGHT?

You can have as many entries as you like on the 1-2-3- Tricast. All entries must paid for in cash at the time of entry. The maximum prize is dependent upon all entries being sold.

The 1-2-3- Tricast will be run as soon as all the entries are sold, or if not all sold, it will be run on the last race. Any unsold squares belong to 'The House'.

The prize will be awarded to the person with their name in the square corresponding the correct 1st, 2nd & 3rd result in the Tricast race.

There can only be one correct result, and one winner.

If all entries are not sold the prize will be 50% of the total amount staked on the 1-2-3 Tricast. If 'The House' owns the winning result all stakes are retained.
